## **Forest Heights Youth Spring Theater Camp Group**

Our Forest Heights Youth Spring Theater Camp kicked off March 21, 2015 at the Town Hall Building. Dr. Chester Brookover, principal at Forest Heights Elementary School, led our first group of young participants in a choreographed routine to "Annie"....and there will be more routines to come!

Sponsored by the Forest Heights Youth Theater Committee, these workshops are free and open to children in grades 1-6. Children learn skills such as vocal training, acting, stage directing and more. Check with Forest Heights Town Administrator, Vern Haefele, for more information on the program.
